

TOURNAMENT TEAM SPONSORSHIP OPPORTUNITIES

Diamond Club Baseball Tournament Teams provide youth baseball players with the unique opportunity to compete at a high level while learning from our professional coaching staff of ex-professional and/or ex-collegiate players. Each team plays in a minimum of 12 tournaments per year both in Colorado and out of state. Players incur expenses that include but are not limited to, tournament entry fees, equipment, uniforms, outdoor practice facilities, airfare, hotel, and other travel costs to individuals and their families.

Diamond Club players are highly committed young men who are part of an organization that stresses the importance of hard work, responsibility, positive attitude, and academic performance. Through our programs, players develop skill sets that are essential to success both on and off the field in the present and future.

Team sponsors such as individuals and corporations, through their contributions, will assist individual players and entire teams in leveraging the costs associated with playing amateur baseball at a high level.
